Positive  
Role-Models

Revita knows that the arts are not only a hobby, dance and martial arts play many roles in our student's lives. For some it is the first steps to a lifelong passion, for others it is a safe place they are able to come and be with friends and learn. No matter who steps through our doors, their place is already waiting for them! Our staff takes this responsibility seriously and all partake in continued learning programs.

But you don't have to take our word for it...

"This helped my daughter's self esteem grow leaps and bounds. I recommend this studio to all my coworkers and any time it comes up in casual conversation."

"The teachers support and encourage everyone and recognize what makes each of them unique and beautiful. They offer more than just dance classes; they are organized, bright women who are positive role models. Highly recommend the professionals of Revita Dance!"

"Great martial arts instructor, my daughter enjoys the class and is learning a lot"

We'd love to tell you more!

## Lobby, Office + Student Area Guidelines

**Our lobby** will only be open for parents or guardians if you would like to wait inside while your student is in class. Otherwise, students may be dropped off 5-10 minutes before their scheduled class time and picked-up no later than 5 minutes after class time. The lobby is the first area you enter at the main entrance.

**Our student lounge** is open for those who may need to wait at the studio for their next class and/or for a family member. This is their designated waiting area in between classes where they may quietly socialize, eat, do homework and even do light stretching. It is located at the end of the main hallway (hall to the right of the lobby).

**Our dressing room** should only be used for the purpose of changing in and out of class uniform. When the dressing room is occupied, the door main door should be closed. It is 2nd room located on the left side of the main hallway (hall to right of lobby).

**Our parking lot and studio are smoke free!**

**Office:** Please make an appointment with the office for necessary uniform items or questions. It is the 1st room located on the left side of the main hallway (hall to right of lobby). Email to set an appointment: [office@revitadancestudio.com](mailto:office@revitadancestudio.com)

## Studio Hygiene

Staff is provided with additional time between classes in order to best prepare for their next group of students. Surfaces are sanitized and the floor is mopped between each class group. All shared spaces such as bathrooms and lobbies are cleaned daily.

## Continued Safety Guidelines

Practice social distancing at your comfort level.

**Masks are optional.** Please use your best personal judgment.

**Do not share water bottles or food.**

**Wash hands** at the beginning and end of class.

**Stay home if your student doesn't feel well**, has a temperature, or has been in contact with anybody with a high temperature, or has been in contact with somebody with a confirmed COVID-19 case
